The roll being called, the resolution was declared adopted by the following votes:

Yeas: — Commissioners Archibald, Monahan, Raymond, Mayor Gillen.

WHEREAS, the contract for paving New Jersey Railroad Avenue east of the Pennsylvania Railroad, from Murray Street to Stanton Street, with new granite block pavement on a 6-inch concrete foundation was awarded to McDermitt, Incorporated, on December 31, 1919, the amount of the bid being \$66,339.50;

AND WHEREAS, Through labor troubles and strikes at the granite quarries it is practically impossible to secure any granite blocks or curb even at prices greatly in advance of quotations given the contractor at the time bids were received for this work;

AND WHEREAS, The average price per square yard of the 7 bids received for this work was \$7.00 per square yard, 87c higher than the price bid by the low bidder and the average amount of the 7 contracts was \$76,611.48 or \$10,271.98 higher than the amount of the bid of the low bidder;

AND WHEREAS, The Engineering Bureau pointed out these facts to the McDermitt, Incorporated, before recommending the award of the contract to that firm and during December, 1919, they insisted on having the work awarded to them, claiming that the quotations received from their material men would permit them to make a profit of \$3,500.00 on their contract;

AND WHEREAS, under present conditions, if the City holds the McDermitt Corporation strictly to their contract, they expect to lose some \$14,000.00 on material alone;

THEREFORE, BE IT RESOLVED, That it is to the best interest of the City to rescind the contract awarded to McDermitt, Incorporated, on December 31, 1919, for the paving of New Jersey Railroad Avenue east of the Pennsylvania Railroad, between Murray Street and Stanton Street, with new granite block pavement on a six (6) inch concrete foundation; and be it

FURTHER RESOLVED, That said contract be and it is hereby rescinded.

Following communications were received and read:

June 10, 1920.

To the Board of Commissioners of
The City of Newark.

To your Honorable Board:

At a meeting of the directors of the Clinton Hill Welfare Association, we want to voice our objections to the proceedings before the Health Board held at the Town Hall, Irvington, June 2, 1920. To wit, that Mr. Mathews, Superintendent of the International Coal Products Company, admitted that their plant was a nuisance and that they were experimenting in said plant and finally admitted that they could not eliminate the odors and that they would abandon the plant. The Health Officer of Irvington then was requested, on the admission of Mr. Mathews, to close the plant at once. Mr. Chail, the inspector of the Newark Board of Health, also vouched for the facts as set forth by Mr. Mathews.

We, the undersigned directors of the Clinton Hill Welfare Association, request your Honorable Body to take the necessary steps through the Newark City Board of Health to abate the nuisance which is affecting the health of four thousand residents of the Clinton Hill section.

William T. Jane ,
Arthur S. Barbier,
M. Oswald R. Routh,
William S. Meyer,
William H. Broadwell,
Charles W. Littlefield.

Mayor Gillen: This communication is about a nuisance that exists in Irvington, but affects Newark, the fumes coming across into Newark. The

Board of Health of Newark cannot abate the nuisance, but the Law Department can bring some proceeding. I suppose we had better refer it to the Law Department.

Commissioner Monahan moved that the communication be referred to the Law Department and that the Law Department be instructed to use whatever power it has to abate the nuisance.

The roll being called, the motion was declared adopted by the following votes:

Yeas: — Commissioners Archibald, Monahan, Raymond, Mayor Gillen.

New Jersey Bus Association, Inc.,
20 Clinton Street

Newark, N. J., June 7, 1920.

To the Commissioners of
The City of Newark,
Newark, N. J.

Gentlemen:

The New Jersey Auto-Bus Association is formed for the purpose of improving and bettering the jitney business and protecting and safeguarding the proper interests of the public and the jitney owner.

The headquarters is in Newark where almost 400 jitneys are in operation and where we are transporting over 125,000 passengers daily.

In your municipality you have jitneys in operation, some of the owners of which are defendants in a Chancery action begun by the Public Service Railway Corporation, the object of which litigation is to prevent the operation of jitneys and as the elim-

nation of jitneys from your streets will cause your inhabitants greater monetary loss and immeasurable inconvenience, we write to ask if your municipal attorney will take part in this litigation and if so, to suggest that your attorney get into communication with our attorney, George F. Seymour, Jr., 20 Clinton Street, Newark, to the end that all the lawyers may meet together and arrange that a suitable defense be prepared.

We enclose a copy of the Bill of Complaint in the matters.

Yours very truly,

George L. Cowan,
President.

Ordered referred to the Department of Streets and Public Improvements.

ANNUAL REPORTS

The annual report for the year 1919 of the Department of Public Safety was received.

Dr. William G. Hanrahan, 36-a Fulton Street, Newark, appeared before the Board and presented the following resolution and requested its adoption by the Board and also that the representative from Essex County be urged to give his support to the housing bills.

WHEREAS, there has been criticism by the opponents of the pending legislative housing bills as to their constitutionality which in the estimation of many is a mere subterfuge to encompass their defeat; therefore be it

RESOLVED, the City Commissioners of Newark, N. J., hereby request the representatives of the City Law

Department to draw up such additional measures that will stand test as to constitutionality, strengthen pending legislative measures and help our distressed people in this housing crisis, thereby advancing the commercial, economic and humanitarian welfare of our city.

Respectfully submitted,

William G. Hanrahan,
Chairman Mayor's Rent Adjustment Commission.

The following communication was received and read:

Newark, N. J., June 15, 1920.

To the Honorable
The Board of Commissioners of the
City of Newark, N. J.

Gentlemen:

I hereby very respectfully make application for leave of absence from June 21 to September 15, 1920.

This request is made in accordance with Chapter 221 of the Laws of 1920.

Very truly yours,

Amzi E. Berla.

Mayor Gillen: What is your pleasure with this communication?

City Clerk Egan: I would recommend that it be referred back to me with power to act. This man is under my jurisdiction and is doing this thing with the idea of demoralizing the force. He does not like to take orders.

Commissioner Monahan: Is he within his rights? I think he should be here and give his reasons.

Commissioner Archibald: I feel he should give some reason for his request.

Commissioner Archibald moved that the communication received from Amzi E. Berla, requesting a leave of absence be referred to the City Clerk with power to act.

The roll being called, the motion was declared adopted by the following votes:

Yeas: — Commissioners Archibald, Monahan, Raymond, Mayor Gillen.

Nathan H. Berger
Counsellor-at-Law
810 Broad Street

Newark, N. J., June 16, 1920.

To the Commissioners of
The City of Newark.

Gentlemen:

On March 4, 1920, I ordered an official tax search in the Comptroller's office on property Nos. 306-308 Belmont Avenue, City, at that time assessed to Benjamin Goldberg.

Relying on that search I passed title to the above named premises. It now develops that there was due at the time of the making of said search and since 1916 an item of \$7.10 for shade trees planted on that property, for the payment of which the said property became liable.

My client, the present owner of the property, was forced to pay the said amount of \$7.10 and did in fact pay said amount on June 6, 1920.

My client having relied on me for the passing of title came back to me for reimbursement of the above amount and which amount I have paid out to him. If you will therefore take up this matter at once and see that a check for \$7.10 is sent me, I will be much obliged.

Respectfully yours,

Nathan H. Berger.

Ordered referred to the Director of Revenue and Finance,

Newark, N. J., June 16, 1920.

City Commissioners,

City Hall, Newark, N. J.

Gentlemen:

The writer and several other residents of Leslie and Voorhees Streets, as well as the Appeals Board of the Zoning Commission, were put to considerable trouble this week on account of the methods of the Zoning Commission in advertising applications for the erection of buildings which comes under the jurisdiction of said board, hence the writer offers the following suggestions which he trusts will meet with your approval.

That in all cases where the application for permission to erect any building (when the erection of such building would conflict with the present Zoning Law) is made to the Zoning Commission or the Appeals Board of said Commission that they (the Zoning Commission or its Appeal Board) be instructed to notify the adjacent property holders by registered mail as well as by advertising in the newspapers as at present provided for.

This in the estimation of the writer will avoid the reopening of cases that come before the Board and have been apparently settled by the Board and give all concerned ample opportunity to enter any protest they may have.

Yours very truly,

Oswald R. Routh.

Mayor Gillen: The matter he has in mind is this: Someone makes application to erect a garage in a residential section and it is advertised in the newspapers and the chances are the people in the vicinity do not read all of these advertisements and do not become familiar with the matter. He wants the property owners in the immediate vicinity notified by letter and I think that is a very good plan.

Superintendent of Buildings O'Rourke: "In cases of garages, placards are always posted. In cases where it is a question of erecting a building, it is merely a newspaper advertisement.

Mayor Gillen: I have always felt this newspaper advertising did not amount to anything and while it complies with the law, I think the people in the immediate neighborhood should be notified by mail. There was quite an argument regarding a garage on Voorhees Street which extended beyond the regular property line and it was contended that that sort of building destroys the property value and takes away the beauty of the street.

Commissioner Raymond: I think notices should be sent to the property owners on both sides of the street of the block on which the garage is to be erected.

Commissioner Raymond moved that the communication be referred to the Zoning Commission with the suggestion from the City Commission that a limited number of notices be sent to the property owners on both sides of the street of the block on which garages are to be erected and that they prepare the necessary ordinances.

Local No. 55 of Newark and Vicinity

Newark, N. J., June 16th, 1920.

Hon. John F. Monahan, Director

Dept. of Parks and Public Property,
City Hall, Newark, N. J.

Dear Sir:

At the last meeting of the Stationary Firemen, Local No. 55, held on June 1st, 1920, it was brought to the attention of our Local that our members employed in your department are not receiving the union scale of wages at the present time.

The organization has instructed me to communicate with you and request you to pay the union scale of wages to our men employed in your departments, which is as follows:

FIREMEN.

Two thousand one hundred and eighty-four dollars (\$2,184.00) per year.

HELPERS, OILERS AND COAL PASSERS.

Two thousand one hundred and fifty-eight dollars (\$2,158.00) per year, with the same hours and conditions as they are working under at present.

All overtime to be paid at the rate of double time.

Hoping you will take this matter up as soon as possible and grant these men employed in your department the union scale of wages, to take effect beginning July 1st, 1920, and thanking you in advance for your favorable action, I am

Respectfully yours,

Francis J. Goodwin,
Business Agent, Local No. 55.

Commissioner Monahan: That is a communication I have received. I do not see that we can do anything else but grant the request. It is mandatory with outside concerns and manufacturers. They have to pay it and there is no reason why they will work cheaper for the city than for outsiders. I do not think there is anything else for us to do.

Commissioner Raymond: I think if we held a conference with them they would give us some special terms for these men who have regular jobs. My plumbers, for instance, were raised to the union rate and they agreed to work extra time whenever needed, Sundays, Saturday afternoons or nights, without extra pay.

The communication was ordered received and filed.

Commissioner Archibald offered the following resolution:

RESOLVED, that James Arthurs be and he is hereby temporarily appointed as searcher and clerk in the office of the Comptroller, Department of Revenue and Finance, at a salary of One Thousand Eight Hundred Dollars (\$1,800) per annum. Said appointment to date from June 14, 1920.

OFFICERS' REPORTS.

The report of the Auditor of Accounts for the month of May, 1920, was received and ordered filed.

Mayor Gillen: Mr. Congleton, will you give us an explanation of this Hayes matter?

City Counsel Congleton: It is all very clearly set forth on the map. All of the property we take under the widening, except the tip of St. Stephen's Church is owned by the Hayes Estate, and we are widening it out in accordance with the terms of the decree. The decree in Chancery specifies that all moneys that come from the estate to the city must go back into parks. While we will put it through as a regular assessment matter, it will be done for the purpose of having a lien against the property so that when we sell it the amount of the liens for the improvement will come out of the property first.

Mayor Gillen Do you assess benefits on local owners?

City Counsel Congleton: Not unless the Board of Commissioners for Local Improvements should say that by reason of this street being widened some of the intersecting streets are benefited. So far as damages are concerned no one would get any damages except St. Stephen's Church.

Mayor Gillen: I do not think it would be fair to assess anything.

City Counsel Congleton: I do not believe it will be necessary. We are doing this as any other street widening; that is, in order to get assessments for damages and assessments for benefits on the Hayes Estate property so that when we sell the property we will have liens and first deduct that amount from the purchase price of property we get, instead of paying out of the general treasury. All net proceeds we get from the estate has to go back into parks in other sections of the city. After this is all done we will have over \$300,000 which we will have to put in parks in other parts of the city.

Commissioner Raymond offered the following resolution:

RESOLVED, that it is the intention of the Board of Commissioners of the City of Newark, N. J., under and by virtue of the provisions of an act entitled "An act concerning municipalities," approved March 27, 1917, (P. L. 1917-319) and the supplements thereto, and amendments thereof, to order and cause the opening and widening of Clinton Avenue and Elizabeth Avenue by the addition thereto of the two following described strips:

No 1 Beginning at the south westerly corner of Clinton Avenue and Elizabeth Avenue; then running along the westerly line of Elizabeth Avenue S. 22 deg. 31 min. W. 27 ft.; thence N. 43 deg., 18 min. W. 22 12-100 ft. to the southerly line of Clinton Avenue; thence along the same N. 70 deg. 53 min. E. 27 ft. to the place of beginning.

No. 2. Beginning at the south westerly corner of Clinton Avenue and Wright Street; thence running along the westerly line of Wright Street S. 24 deg. 06 min. E. 15 ft.; thence S. 47 deg. 01 min. W. 187 66-100 ft. to the easterly line of Elizabeth Avenue; thence along the same N. 22 deg. 31 min. E. 109 85-100 ft. to the south easterly corner of Elizabeth Avenue and Clinton Avenue; thence along the southerly line of Clinton Avenue N. 65 deg. 43 min. E. 97 86-100 ft. to the place of beginning, according to Map No. 1199-0 on file in the office of the Chief Engineer.

Said improvement to be made as a local improvement and the cost thereof to be assessed against the property benefited by said improvement in proportion to the benefits received.

And the Director of the Department of Streets and Public Improvements is hereby directed to give public notice in an authorized daily newspaper, printed and published in the City of Newark, of the intention of the Board of Commissioners to order and cause such improvements to be made, and that all persons whose lands may be affected by such improvements or who may be interested therein will be given an opportunity to be heard concerning the same at a meeting of said Board, to be held in its meeting room, City Hall, on July 15th, 1920, at 11

o'clock a m., at which time and place ordinances for the making of such improvements will be considered on final passage.

Charles P. Gillen,
A. Archibald,
John F. Monahan.

The roll being called, the resolution was declared adopted by the following votes:

Yeas: — Commissioners Archibald, Monahan, Raymond, Mayor Gillen.

City Counsel Congleton: Last week I understand the ordinance fixing the fees and regulating the sale of brewed and malt liquors was held over for final passage until June 24th. I would like to have you pass a motion to reconsider your previous motion so that we can put it back on second reading for the purpose of amending it by changing the fee to \$200 instead of \$500. It can then come up for final passage on June 24th just the same.

Commissioner Monahan moved that the vote by which an ordinance entitled "An ordinance to amend the title and body of an ordinance entitled 'An ordinance to license and regulate the sale of malt or brewed liquors, beer or any liquid of which distilled or ardent spirits or spirituous liquors form a component part,' adopted February 19, 1920, so as to define the liquors to which the ordinances applies, and further to amend said ordinance generally," be considered.

The roll being called, the motion was declared adopted by the following votes:

Yeas — Commissioners Archibald, Monahan, Raymond, Mayor Gillen.

Commissioner Monahan moved that an ordinance entitled "An Ordinance to amend the title and body of an ordinance entitled 'An Ordinance to license and regulate the sale of malt and brewed liquors, beer or any liquid of which distilled or ardent spirits or spirituous liquors form a component part,' adopted February 19, 1920, so as to define the liquors to which the ordinance applies, and further to amend said ordinance generally," be placed back on second reading for the purpose of amendment.

The roll being called, the motion was declared adopted by the following votes:

Yeas: — Commissioners Archibald, Monahan, Raymond, Mayor Gillen.

The clerk then read the ordinance by sections:

Title declared open to amendment.

Section 1 declared open to amendment.

Section 2 declared open to amendment.

Section 3 declared open to amendment.

Commissioner Monahan offered the following substitute for Section 3 which was read by the clerk:

Section 3: Section 2 of the Ordinance entitled "An Ordinance to license and regulate the sale of malt or brewed liquors, beer or any liquid of which distilled or ardent spirits or spirituous liquors form a component

part," adopted February 19, 1920, be and the same is hereby amended to read as follows:

"Section 2: All such licenses issued as aforesaid shall not be issued for a longer term than one year, and the annual license fee is hereby fixed in the sum of two hundred dollars (\$200), but such licensing official may, in his discretion, issue such licenses for a shorter period than one year, and shall charge therefor such proportion of the annual fee as the time for which such license is issued bears to the total fee. The fee for a transfer of license from place to place and from person to person is hereby fixed in the sum of one hundred dollars (\$100) for each transfer. The fees hereby fixed for the issuance of said license and for transfers are imposed for revenue."

Section 4 declared open to amendment.

Section 5 declared open to amendment.

Section 6 declared open to amendment.

The ordinance was declared open to amendment in all its parts.

The ordinance as amended was then read through by the clerk.

Commissioner Monahan moved that the ordinance be taken up on third reading and final passage on June 24th, 1920.

The roll being called, the motion was declared adopted by the following votes:

Yeas: — Commissioners Archibald, Monahan, Raymond, Mayor Gillen.

Present: Commissioners Archibald, Brennan, Raymond, Mayor Gillen.

Absent: Commissioner Monahan.

Mayor Gillen: Is there any citizen desiring to appear before this Commission?

Mr. George Seymour, 20 Clinton Street, Newark, N. Mr. Seymour also stated it was his understanding that the franchise had lapsed and that he had been advised that it is the intention of this Commission to have the franchise extended so they can have further time in which to put their buses in operation.

Commissioner Raymond stated the original franchise expired in May, but that an extension of time had been granted until July 1st by reason of the Company's plea that the work of building the buses had been delayed, but that it would be ready to operate the cars by July 1st, and that they would have to give a very good cause for a further extension of time before it would be recommended by his department, as he felt their delay greatly retarded the development of the transportation service in the City, and that they would have to produce evidence of their true intention to carry out the franchise before he would recommend a further continuation of the option.

Mr. Seymour: While I am here I want to thank the Mayor and Commissioners for your kind action in the suit begun by the Public Service against the jitneys, and to tell you that we very much appreciate the as-

distance you have given us; also the City Counsel, and in consideration of that we are going to try to give you the best jitney service in the United States:

Commissioner Archibald: Mr. Seymour, while you are here, I want to take this opportunity of repudiating an interview in which I was quoted as being opposed to the jitney service. The party that interviewed me came to see me on a different matter and he certainly must have misunderstood me. On the contrary, I feel the jitneys are a public necessity and should not be taken off the streets. Had I not felt that way I would not have voted to authorize the city to fight the Public Service suits against the jitneys. Of course, I feel the buses must be kept under regulation, and they must also be kept permanently as an important part of the City's transportation system. I make this statement publicly to refute the other statement attributed to me.

Commissioner Raymond offered the following ordinance which was read by the clerk:

An Ordinance to provide for the grading, curbing, flagging and paving with concrete pavement of Montclair Avenue from Beaumont Place to Third Street.

The Board of Commissioners of the City of Newark, do ordain:

Section 1. That Montclair Avenue from Beaumont Place to Third Street shall be graded, curbed, flagged and paved with concrete pavement, with the necessary new curbing or resetting of curb, together with all other appurtenances incidental to the paving of said street, including the lay-

ing of concrete sidewalks at street intersections and elsewhere wherever needed, and the laying or relaying of a sidewalk or sidewalks or such portion or portions of sidewalks as may be disturbed, or may become necessary or expedient, or the grade of which may be affected on account of the laying of the pavement, or the setting or resetting of the curb, including the laying of the necessary sewer and water connections to the curb lines, under and by virtue of the provisions of an act entitled "An act concerning municipalities" approved March 27, 1917 (P. L. 1917-819) and the supplements thereto and amendments thereof.

Said improvement to be made as a local improvement and the cost thereof to be assessed against the property benefited by said improvement in proportion to the benefits received.

Section 2. That this ordinance shall take effect immediately and all ordinances or parts of ordinances inconsistent with the provisions of this ordinance, be and the same are hereby repealed.

The ordinance having been read once, Commissioner Raymond moved that it be ordered to a second reading.

The roll being called, the resolution was declared adopted by the following votes:

Yeas: — Commissioners Archibald, Brennan, Raymond, Mayor Gillen.

Commissioner Brennan offered the following resolution:

WHEREAS, in accordance with the law and by authority of this Board, the Director of Public Safety has publicly solicited, received and opened proposals for furnishing the Police Division of the Department of Public Safety with one 3-4 Ton Oldsmobile Automobile Truck; and

WHEREAS, the only proposal received is that of the Premier-Oldsmobile Company, in amount \$1,622.75, less an allowance by said Company of \$250.00 for one Ford automobile commercial car now in service in said Police Division, which proposal is in all respects satisfactory to the Director of Public Safety; be it

RESOLVED, that the proposal of the Premier-Oldsmobile Company be and the same is hereby accepted, the Law Department directed to prepare the proper contracts and the Director of Public Safety and the City Clerk authorized and empowered to execute the contracts for the City of Newark.

William J. Brennan,
Thomas L. Raymond,
A. Archibald,
Charles P. Gillen.

The roll being called, the resolution was declared adopted by the following votes:

Yeas: — Commissioners Archibald, Brennan, Raymond, Mayor Gillen.

OFFICERS' REPORTS.

The following reports of City Officers were received and ordered filed:

Overseer of the Poor, March, April and May, 1920.

Commissioner Brennan offered the following ordinance which was read by the clerk:

An Ordinance to amend section 269 of the Revised Ordinances of The City of Newark (Revision of 1913).

The Board of Commissioners of the City of Newark do ordain:

1. That Section 269 of the Revised Ordinances of the City of Newark, (Revision of 1913) be amended by adding after paragraph 9 of said section a new paragraph, as follows:

"In buildings used for motion picture shows and having no stage, the exits and courts above required may be replaced by equivalent exits and courts at the rear, if consistent with the adequate distribution of the entire entrance and exit facilities."

2: All ordinances and parts of ordinances inconsistent with the provisions hereof be and the same are hereby repealed.

3: This ordinance shall take effect immediately.

Commissioner Brennan: Mr. Mayor, this ordinance is in relation to the Building Code and moving picture houses. At present the building code requires exits on both sides of moving picture houses where there is no stage. The Building Department feels this is unnecessary and the Board of National Underwriters this year adopted an amendment which would allow moving picture houses to do away with side exits and have exits at the front and rear in moving picture houses where there is no stage.

Superintendent of Buildings O'Rourke: The amendment recommended by the National Board of Fire Underwriters in 1920 provides where there is no stage in moving picture houses, that side exits be not required, and that exit facilities be provided in the rear of theatre. In the regular theatres the stage was always considered the danger point. This ordinance will eliminate the courts which are at present required on each side.

We have a number of applications which we have been compelled to reject because of this requirement.

Mayor Gillen: Supposing there was a fire in one of these theatres, most of them are long and narrow, particularly moving picture houses. The two narrow sides of the theatre are the front and rear and the wide sides of course are the length of the building. Under this plan everybody would have to rush to the front or rear, whereas under the old plan they could get out of front or side exits and would cause less congestion.

Mr. O'Rourke: The danger does not exist in a moving picture house as it does in a stage theatre. The stage has always been considered the danger point. In New York they do not require these courts on the side if they have rear exits.

The ordinance having been read once, Commissioner Brennan moved that it be ordered to a second reading.

The roll being called, the motion was declared adopted by the following votes:

Yeas: — Commissioners Archibald, Brennan, Raymond, Mayor Gillen.

Commissioner Brennan moved that the ordinance be taken up on second reading on July 1st, and that the City Clerk be requested to furnish copy of the ordinance to each commissioner.

The roll being called, the motion was declared adopted by the following votes:

Yeas: — Commissioners Archibald, Brennan, Raymond, Mayor Gillen.

Commissioner Brennan offered the following ordinance which was read by the clerk:

An Ordinance to prohibit the opening and operation of butcher shops and places where fresh meat is sold in the City of Newark on the first day of the week, commonly called Sunday, and providing a penalty for the violation thereof.

The Board of Commissioners of the City of Newark do ordain:

1. It shall be unlawful for any proprietor, manager or other person to open or keep open on the first day of the week commonly called Sunday, a butcher shop or other place where fresh meat is sold or the business of dealing in fresh meat is carried on within the City of Newark.

2. It shall be unlawful for any person on the first day of the week commonly called Sunday to sell or deal in any fresh meat in the City of Newark.

3. The clear interior view of every butcher shop or other place wherein the business of selling or dealing in fresh meat is carried on within the City of Newark shall on the first day of the week, commonly called Sunday, be in no way obstructed by a screen, non-transparent glass, shade, blind, door, shutter or merchandise, or any other article or thing placed therein.

4. The entire interior of every butcher shop or other place wherein the business of selling or dealing in fresh meat is carried on in the City of Newark shall on the first day of the week commonly called Sunday, be opened to full view from the public street.

5. Any person, firm or corporation convicted of violating any of the provisions of this ordinance shall upon conviction thereof before any police justice of the City of Newark be liable to a penalty not exceeding twenty-five dollars for each offense or imprisonment in the County Jail for a period not exceeding ten days, in the discretion of the judge imposing the same.

6. All ordinances and parts of ordinances inconsistent with the provisions of this ordinance be and the same are hereby repealed, and this ordinance shall take effect immediately.

Commissioner Brennan: That ordinance is introduced at the request of a great number of butchers, whose signatures are attached to a petition thereto and who feel that they should be given the same opportunity to enjoy one day's rest as those employed in other lines of business.

Commissioner Archibald: I have had several people ask me to oppose this ordinance because it will work a hardship on them.

Commissioner Brennan: On the other hand, there are keepers of butcher shops who by reason of religious beliefs desire to remain open on Sunday because they are closed on Saturday. I am introducing the ordinance at the request of a large number of butchers, and in passing I might say a great number of the signers of the petition attached to this ordinance are members of the same religious belief as those who are opposed, so that it seems to me it is a case of divided opinion

The roll being called, the ordinance was declared lost by the following votes:

Yeas:—Commissioner Brennan.

Nays: — Commissioners Archibald, Raymond, Mayor Gillen.

Mayor Gillen offered the following resolution:

WHEREAS, in the death of John H. O'Connor the City of Newark has lost one of its best citizens as evidenced by his many efforts towards civic betterment; and

WHEREAS, during the many years he has resided in this community he has given to all a splendid example of usefulness and upward citizenship which won the confidence of all who knew him and admiration of those familiar with his wonderful achievements; therefore be it

RESOLVED, that the Board of Commissioners of the City of Newark, in meeting assembled, express to the bereaved family the deep sympathy of ourselves and of the citizens of Newark.

Charles P. Gillen,
A. Archibald,
William J. Brennan,
Thomas L. Raymond.

The roll being called, the resolution was declared adopted by the following votes:

Yeas: — Commissioners Archibald, Brennan, Raymond, Mayor Gillen.

The following communications were received and read:

Commission on Building Districts and
Restrictions

City Hall, Newark, N. J.,

June 23, 1920.

Mr. William J. Egan,

City Clerk,

Newark, N. J.

Dear Sir:

The Board of Appeals in session yesterday directed me to acknowledge receipt of your letter of June 17th with its accompanying communication from Mr. Oswald R. Routh, of 73 Leslie Street, to the Board of City Commissioners suggesting that we notify adjacent property owners by registered mail in addition to the legal advertising required when applications are made in cases under the jurisdiction of the Board.

In all garage applications we have required the applicant to post a public notice in a conspicuous place on his property in addition to the legal advertising required, and this has proven a very satisfactory arrangement.

It is now the intention of the Board of Appeals to adopt the suggestion as made by Mr. Routh in all cases coming under the jurisdiction of the Board in residential districts. A copy of the resolution is herewith enclosed.

Very truly yours,

R. B. Rankin,

Secretary.

Ordered filed.

Executive Department
Office of the Mayor
Atlantic City, N. J.

Hon. Mayor Charles P. Gillen,

Mayor, Newark, N. J.

My Dear Mayor:

The Committee on the Convention of Inland Waterways held a conference in my office in Atlantic City on the 11th of June.

Last Fall Dr. Underwood Cochran, one of the Commissioners of Atlantic City, appeared before the Inland Waterways Convention at Charleston, S. C., and asked the convention at that time to hold the next convention at Atlantic City.

I understand there is about \$2,500 expense to be taken care of. In addition to this there is about \$1,000 for expense to rent of pier registration bureau and other general expenses. I feel if we can raise \$500 perhaps your city can give \$500. Five cities giving \$500 would make up the \$2,500.

It is the idea of the Committee to hold a meeting on the 7th of July in the Reception Room, State House, Trenton, at 11:15.

I would appreciate if you would let me know anything in this matter.

Very truly yours,

Edw. L. Bader, Mayor.

City Counsel Congleton: There is no law authorizing us to appropriate any funds for this purpose.

Commissioner Raymond moved that the matter be referred to the City Counsel for reply.

The roll being called, the motion was declared adopted by the following votes:

Yeas: — Commissioners Archibald, Brennan, Raymond, Mayor Gillen.

Mr. Siegfried Leschziner, 776 Broad Street, Newark, appeared before the Board and urged that the Memorial site on South Broad Street be sold, thereby turning an expensive holding into a revenue producer, and estimated that the property had cost the city \$550,000 and at the present time was a great expense to the City; that the City was losing taxes and interest on the property and suggested that it be divided into lots and sold

Commissioner Raymond: I am in favor of selling it all.

Mayor Gillen: I think it should be offered for sale altogether or in two parts.

Commissioner Archibald: I think if it was divided up into plots of 50x100 we would get more money out of it.

Commissioner Raymond moved that the matter be referred to Commissioner Monahan with the recommendation of this Board that this property should be sold in fifty foot lots in order to bring a better price

The roll being called, the motion was declared adopted by the following votes:

Yeas: — Commissioners Archibald, Brennan, Raymond, Mayor Gillen.

Christian W. Feigenspan
740 Broad Street

Newark, N. J., June 18, 1920.

Commission on Building Districts and Restrictions,

City Hall, Newark, N. J.

Gentlemen:

I hereby beg to tender my resignation as a member of the Commission on Building Districts and Restrictions, to take effect immediately.

Very truly yours,

Christian W. Feigenspan.

Commissioner Archibald moved that the resignation of Mr. Feigenspan be accepted with the thanks and appreciation of this Board for the splendid work done by him for the City.

The roll being called, the motion was declared adopted by the following votes:

Yeas: — Commissioners Archibald, Brennan, Raymond, Mayor Gillen.

Newark, N. J., June 17, 1920.

To the Honorable

The Mayor and Commissioners of
The City of Newark, N. J.

Gentlemen:

The undersigned hereby notifies you of his intention to be absent from the City for a period longer than 24 hours, beginning Friday, June 18th, 1920, and that he has designated the Clerk of the 2nd Criminal Court, Wil-

ham I Yuill, to act in his place and stead during his absence.

Respectfully yours,

J. Victor D'Aloia.

Ordered filed.

To the City Commissioners of
Newark, N. J.

Gentlemen:

If agreeable, I would be pleased to appear before your Honorable Body and explain our building and housing problem which would in a measure greatly relieve the present situation in regard to suitable and permanent all year round houses to live in, and would provide homes for the needy at least one-third the cost that houses can be contracted for and constructed here the old way. We have timber and lots of it of the best and every piece cut to fit that goes into the construction of the houses, much better than by the old method of measuring and cutting on the ground. We eliminate all waste, our material after being delivered on the ground is already cut to fit and fit exactly; all there is to do is to put each piece in place and nail it fast. Please do not confound our houses as being of the knock-down or portable type; on the contrary, they are substantial houses fit for permanent houses, and we furnish houses from bungalows to mansion. We are now furnishing 100 houses for Lockport, N. Y., and other places to supply homes for the needy. Our houses can be erected in much less time than by the old way of construction.

Mr. O'Rourke, Supt. of Buildings, after looking carefully over and into our plans, specifications, quality and

size of material, manner of construction, etc., says "they are the best I have ever seen, and your houses will certainly pass the strictest building inspection; I will endorse them."

Our houses are different from all others, which can easily be explained. The question might arise as to who would work to put up these houses; in answer will state that if at least 100 houses were ordered we are in touch with a contractor who will furnish plenty of men to put them up. Further explanation with a personal interview.

Yours truly,

W. W. Ketcham,
224 Summer Avenue.

Only representative in New Jersey for the best and cheapest ready cut and made houses (not portable).

Ordered referred to the Director of Public Affairs.

Commissioner Archibald moved to adjourn.
